## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

## *A tour of the village of Felsa* *Une visite du village de Felsa* *Un recorrido por la aldea de Felsa*

👉 The village attracts a colorful clientele of creative craftspeople. From livestock and hay to homemade cheeses and ornate chairs, they provide the village and the Castle with delightful food, entertainment, building supplies and interior accessories. A Lion Knights' Guard oversees the safety of the village and Wanted posters on the tree warn of wayward wanderers and charlatans in sheep's clothing. All in all, it's a peaceful place where people get on well and help each other.

👉 Le village attire une clientèle d'artisans créatifs hauts en couleur. Du bétail au foin en passant par les fromages maison et les chaises ornées, ils fournissent au village et au château des aliments délicieux, des divertissements, des matériaux de construction et des accessoires d'intérieur. Une garde de chevaliers du lion veille à la sécurité du village et des avis de recherche placardés sur les arbres mettent les villageois en garde contre les vagabonds et les charlatans en apparence inoffensifs. Dans l'ensemble, c'est un endroit paisible où les gens s'entendent bien et s'entraident.

👉 La aldea atrae a una variada clientela de creativos artesanos. Desde ganado y paja hasta quesos caseros y sillas decoradas, proveen a la aldea y al castillo de deliciosa comida, entretenimiento, materiales de construcción y accesorios domésticos. Un guardia de los Caballeros del León mantiene el orden en la aldea, y carteles con la leyenda "Se busca" colocados en el árbol advierten a los lugareños de los forajidos y los charlatanes con piel de oveja que deambulan por la zona. En general, es un lugar tranquilo donde los pobladores se llevan bien y se ayudan mutuamente.

*A day in the life*  
*Une journée ordinaire*  
*Un día normal*

At the end of a long day's work, the hardworking villagers enjoy gathering for a well-deserved drink and some solid, hearty fare at the Broken Axe Inn. They can take turns playing the lute or challenging each other to a game of draughts. (Rumor has it that the Queen's Tax Collector is a formidable, yet perhaps not entirely fair, opponent.)

À la fin d'une longue journée de travail, les villageois laborieux aiment se retrouver à l'auberge de la Hache brisée pour boire un verre bien mérité et déguster un repas copieux. À tour de rôle, ils peuvent jouer du luth ou se défier au jeu de dames. (La rumeur veut que le percepteur de la reine soit un adversaire redoutable, mais pas forcément très honnête.)

Al final de una larga jornada de trabajo, los esforzados aldeanos se reúnen para disfrutar de una merecida bebida y una buena comida casera en la Posada del Hacha Rota. Pueden turnarse para tocar el laúd o desafiarse a una partida de damas. (Se rumora que el recaudador de impuestos de la reina es un oponente formidable, aunque quizá no siempre juegue limpio).

“When we decided to revive this popular theme, we wanted to stay as true to the medieval period as possible and include intricate details to please the eye as well as your ‘inner story.’ We’re introducing new characters, like the Queen’s Tax Collector and the Innkeeper, and for the first time, we have three houses hinged together so you can angle and display your model however it fits your shelf or imagination.”

« Lorsque nous avons décidé de revisiter ce thème populaire, nous voulions rester aussi fidèles que possible à la période médiévale et inclure des détails complexes pour plaire tant à l’œil qu’à votre “histoire intérieure”. Nous présentons de nouveaux personnages, comme le perceuteur de la reine et l’aubergiste, et pour la première fois, nous proposons trois maisons reliées par des charnières, ce qui vous permet d’orienter et de présenter votre modèle en fonction de votre étagère ou de votre imagination. »

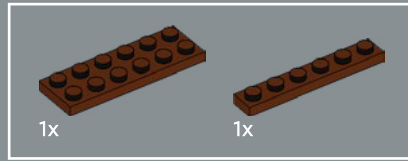

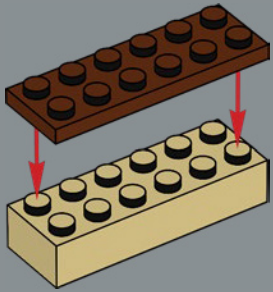

“Cuando nos decidimos a revivir este popular tema, quisimos mantenernos lo más fieles posible a la época medieval e incluir detalles elaborados para agradar tanto a la vista como a tu ‘historia interior’. Ahora presentamos nuevos personajes, como el recaudador de impuestos de la reina y la encargada de la posada y, por primera vez, tenemos tres casas con uniones articuladas para que puedas girar y exhibir tu modelo según lo que dicte tu imaginación o como mejor se adapte a tu estante”.

The cat fills a very important role in keeping the village free from mice and other pesky rodents. It seems only fair it should receive a little milk for its efforts.

Le chat joue un rôle très important dans la protection du village contre les souris et autres rongeurs nuisibles. Il semble normal qu'il reçoive un peu de lait pour ses efforts.

El gato desempeña un papel muy importante para mantener la aldea libre de ratones y otras molestas plagas. Parece justo que reciba un poco de leche por su esfuerzo.
