LA BANQUE DES SORCIERS GRINGOTTS™

Lorsque vous entrez dans Le Chaudron Baveur depuis le passage secret, situé tout au bout du Chemin de Traverse, la banque des sorciers Gringotts™ n'est peut-être pas le premier bâtiment magique que vous voyez. Toutefois, c'est l'un des plus spectaculaires. Derrière ses colonnes et ses murs aux contours irréguliers, les fidèles gobelins de la banque protègent les plus grandes fortunes et les artefacts les plus puissants des sorciers et sorcières de Grande-Bretagne. Selon Hagrid™ : « Y'a pas d'endroit plus sûr, ça non. Sauf Poudlard peut-être ».

C'est ici que Harry Potter™ découvre pour la première fois la fortune de sa famille. Plus tard, Harry, Ron et Hermione accèdent au coffre-fort de Bellatrix Lestrange et y trouvent un horcruxe – pour ensuite réaliser que les intrus n'y sont pas les bienvenus. Ils tentent ensuite de s'échapper sur un dragon, laissant la vieille et noble banque en ruine.

LES COFFRES

Situés dans une vaste galerie souterraine, les coffres sont protégés par un dragon, des incantations, des gardes et des trolls puissants. Pour pouvoir ouvrir un coffre, son propriétaire doit d'abord se soumettre à des contrôles de sécurité rigoureux et être escorté par un employé de la banque. Certains coffres peuvent être ouverts à l'aide d'une clé, mais le déverrouillage des autres nécessite des mécanismes et sorts complexes.

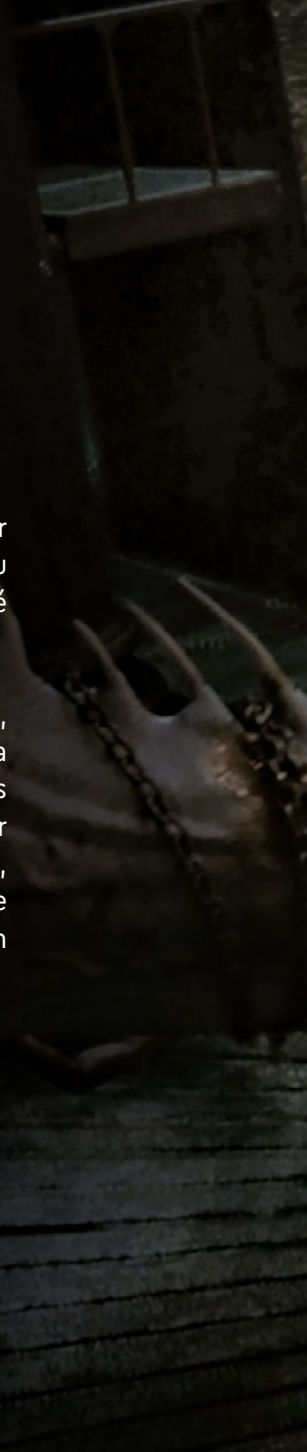

CONCEPTION DU MODÈLE

« Il s'agit du plus grand set LEGO® Harry Potter™ jamais commercialisé. Pour commencer, nous avons créé une version minuscule à l'échelle 1:8 environ du set final. Nous l'avons construite en 5 minutes ! Nous avons ensuite développé une version légèrement plus grande, et enfin un croquis grandeur nature.

Nous voulions recréer la banque telle qu'on la voit depuis la rue. Cependant, comme l'action se déroule principalement dans les galeries souterraines de la banque Gringotts™ (où un réseau complexe de rails permet d'accéder à tous les coffres), nous y avons également inclus cette section. Vous pouvez empiler les différentes sections pour créer un grand tronçon du Chemin de Traverse, puis l'exposer tel quel ou sous forme de deux constructions modulaires... voire trois si vous voulez donner l'impression que le dragon Pansedever ukrainien s'envole du toit !

George Gilliatt et Justin Ramsden, Model Designers LEGO®

VISITE GUIDÉE DE LA BANQUE – par ses designers moldus

« Nous avons étudié attentivement le set LEGO® Le Chemin de Traverse (75978) et veillé à ce que les fans puissent combiner et relier naturellement les bâtiments des différents sets grâce à d'infimes détails, comme les lampes suspendues sur le côté extérieur du bâtiment et l'intégration de la ménagerie magique dans un bâtiment adjacent à la banque. La conception des galeries souterraines a été complexe. Le modèle devait être extrêmement solide et stable tout en ayant l'air suffisamment « branlant » pour simuler le périlleux trajet en wagon dans les galeries souterraines et La Cascade des Voleurs dans *Harry Potter et les Reliques de la Mort : partie 2*. Nous avons exploré plusieurs pistes et travaillé avec notre spécialiste, Monika Bukhave Fruergaard, afin que le modèle puisse également supporter le poids du bâtiment modulaire au niveau de la rue. Les trois coffres-forts visités tout au long des films sont également inclus : le coffre 713 contenant la Pierre philosophale, le coffre de la famille Potter et le coffre de Bellatrix Lestrange renfermant la coupe dorée de Helga Poufsouffle. (En tant que simples Moldus, nous ne pouvions pas jeter le vrai maléfice de Gemino sur la coupe, mais... essayez de la voler et vous verrez !) »

CONÇU AVEC SOIN POUR LES ÊTRES MAGIQUES

« J'ai travaillé sur de nombreux éléments de décoration minutieusement détaillés, comme les magnifiques piliers en marbre à l'intérieur du hall de la banque, ainsi que les autocollants représentant de nombreux secrets et détails qui plairont à coup sûr aux fans de LEGO® Harry Potter™. Les parties sur lesquelles j'ai particulièrement aimé travailler sont les panneaux et tableaux détaillés inclus dans tout le set. Nous avons conçu toutes les minifigurines de façon à ce que leur personnalité et leur apparence ressemblent à celles de leurs personnages et que les fans puissent recréer leurs scènes préférées de Gringotts™. Nous espérons que tous les détails magiques du set vous combleront de joie, que ce soit sous forme de briques ou d'autocollants décoratifs ! Comme l'affirme Gripsec : « Vous seriez surpris du nombre de choses curieuses qu'il y a dans les coffres de Gringotts™. »

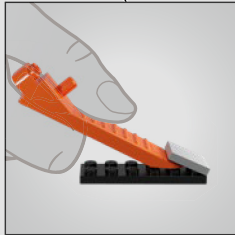

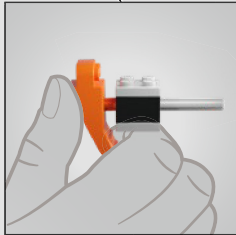

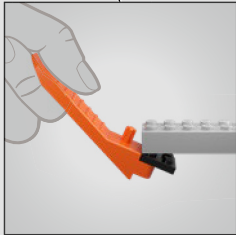

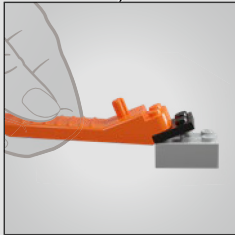

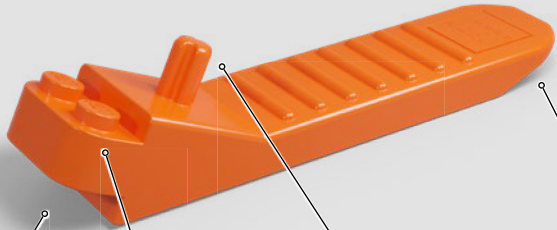

Peter Kjærgaard, graphiste LEGO®

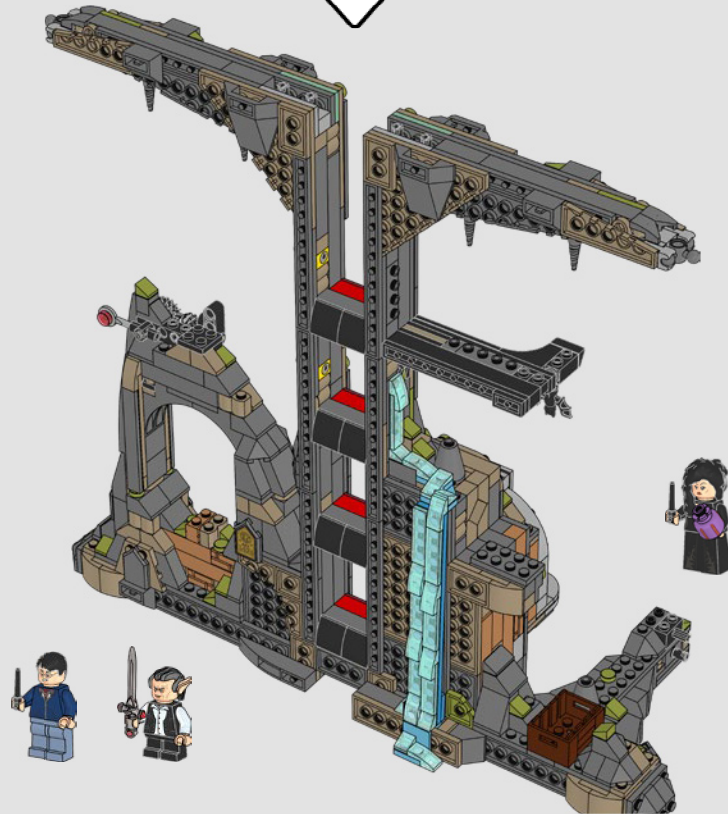

AGRANDISSEZ VOTRE SET DU CHEMIN DE TRAVERSE

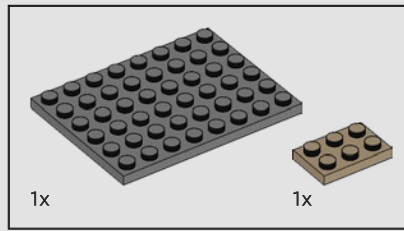

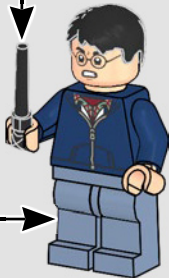

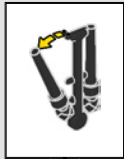

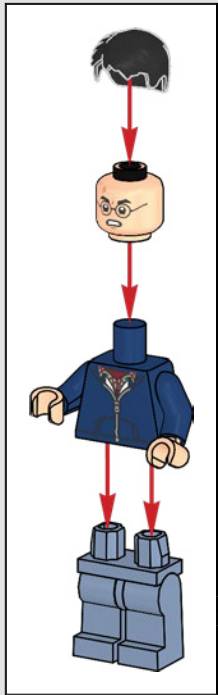

« La banque des sorciers Gringotts™ est probablement le bâtiment le plus emblématique du Chemin de Traverse. Son absence a été particulièrement remarquée dans le set LEGO® Le Chemin de Traverse (75978) de 2020, et nous savions que les fans de LEGO Harry Potter™ le réclamaient. S'agissant d'un lieu vraiment unique, l'équipe de conception voulait lui rendre justice en incluant non seulement la banque avec sa façade tordue, mais aussi les coffres et le dragon Pansedever ukrainien pour permettre aux fans d'exposer différents moments clés des films. »

Andrew Seenan, Creative Lead pour LEGO® Harry Potter™

Dans le Monde des Sorciers, la banque Gringotts™ a été fondée en 1474 par un goblin nommé Gringott. Elle a été créée en réponse à la bulle financière magique du XIV^e siècle, qui a malheureusement éclaté suite à la Tempête de Savon de 1378.
