## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

# IDEAS<sup>™</sup>

LEGO® Ideas Grand Prize Winner

## **Jessica Kiaei**

Jessica Kiaei (LEGO® Ideas name Firecracker\_) still has fond memories of school trips to the local science museum and was inspired by its Air & Space exhibit for this set: "When LEGO Ideas announced the *Ready, Set, Go STEM!* contest, I wanted to pay tribute to Galileo Galilei and celebrate his contributions to science, in LEGO form! As a kid, I used LEGO bricks as a playground for my imagination, a way to explore new and exciting worlds. Now that my life is busier, it's a way to relax and reconnect with my childhood. My work is all digital, so it feels rewarding to step away from the computer, build a new set and improve my skills as an artist and storyteller. Becoming a LEGO designer has been a lifelong dream, and it's exciting to be a small part of LEGO history! I hope everyone enjoys building the set and finding nods to Galileo's discoveries in his office."

Gagnante du premier prix LEGO® Ideas

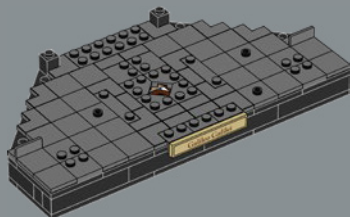

## Jessica Kiaei

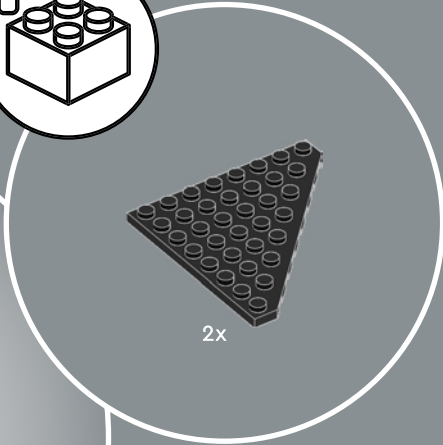

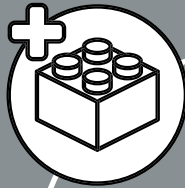

Jessica Kiaei (pseudonyme LEGO® Ideas Firecracker\_) garde de bons souvenirs des sorties scolaires au musée des sciences local, et elle s'est inspirée de l'exposition Air et espace pour cet ensemble : « Lorsque LEGO Ideas a annoncé le concours *Ready, Set, Go STEM!*, j'ai voulu rendre hommage à Galilée et célébrer ses contributions à la science, sous forme LEGO ! Enfant, j'utilisais les briques LEGO comme terrain de jeu pour mon imagination, un moyen d'explorer des mondes nouveaux et passionnants. Maintenant que ma vie est plus chargée, c'est un moyen de me détendre et de renouer avec mon enfance. Mon travail est entièrement numérique. Il est donc gratifiant de m'éloigner de l'ordinateur, de construire un nouvel ensemble et d'améliorer mes compétences en tant qu'artiste et conteuse. Devenir une conceptrice LEGO a toujours été mon rêve, et c'est formidable de faire partie de l'histoire de cette entreprise ! J'espère que tout le monde s'amusera à construire l'ensemble et à trouver des clins d'œil aux découvertes de Galilée dans son bureau. »

Ganadora del Gran Premio LEGO® Ideas

## Jessica Kiaei

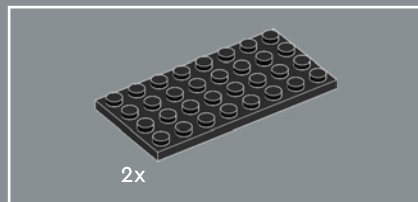

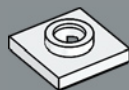

Jessica Kiaei (apodada Firecracker\_ en LEGO® Ideas) guarda todavía gratos recuerdos de sus excursiones con la escuela al museo de ciencias local, y se inspiró en su área dedicada al aire y el espacio cuando diseñó este set: "Cuando LEGO Ideas anunció el concurso *Ready, Set, Go STEM!*, quise rendir un homenaje a Galileo Galilei y celebrar sus contribuciones a la ciencia en formato LEGO. De niña, usaba los bricks LEGO para dejar volar la imaginación y explorar nuevos y fascinantes mundos. Ahora que no tengo tanto tiempo libre, me permiten relajarme y restablecer la conexión con mi niñez. Mi trabajo es totalmente digital, así que me resulta muy gratificante alejarme de la computadora para construir un nuevo set y mejorar mis habilidades como artista y narradora. Convertirme en diseñadora de LEGO ha sido mi sueño desde siempre, ¡y es emocionante entrar a formar parte de la historia de LEGO, aunque sea una parte pequeña! Espero que todos disfruten construyendo el set y descubriendo los guiños a los hallazgos de Galileo en su oficina".
